Works for me. Do you want me to circulate a dial-in number?

Subject: CDPH Draft Letter to SH Bell

Nicole and Molly:

Attached is a draft letter from CDPH to SH Bell regarding their proposed fugitive dust plan. We would like to get any comments you may have—in particular, we are interested in suggestions/additions for the various items the City is requesting to improve public health protections. My impression is that the City intends to send the letter out shortly, so please let me know as soon as you are able to discuss this, and I will loop in Jennifer Hesse.

Thanks,

Mort
